Majestic Johor Malaysian International Junior Open Set to Tee Off at Tanjong Puteri Golf Resort

Date: 21st November 2023

Johor, Malaysia - The Malaysian Golf Association (MGA) National Junior Development Program (NJDP) is proud to announce the inaugural Majestic Johor Malaysian International Junior Open, to be held from November 24th to 26th, 2023, at the Tanjong Puteri Golf Resort in Pasir Gudang, Johor.

Building on the success of its first junior tournament early this year, this time, the tournament is expanded to include top junior players from the Asia Pacific region. As of the closing date, elite juniors from Malaysia, Australia, Germany, Korea, Japan, Indonesia, Thailand, Singapore, India, and Sri Lanka have confirmed their participation, setting the stage for an exhilarating display of young golfing talent.

Leading the Malaysian contingent will be members of the NJDP elite squad, who are already at the Tanjong Puteri Golf Resort, participating in the Junior Camp, gearing up for the tournament.

NJDP Chairman, Fauzi Mesran, expressed his gratitude and excitement: "We are immensely thankful to Johor Tourism for their steadfast support of the MGA NJDP, and to Tanjong Puteri Golf Resort for hosting this prestigious event. I extend my best wishes to all our NJDP players. This tournament is not just a competition; it's an opportunity to rise to the occasion, make our country, parents, and the MGA proud. Let's show the world the spirit and skill of Malaysian golf."

The tournament is also supported by several esteemed sponsors, including Colla Group, Crestlink, F&N, HC Duraclean, Hospital Penawar, MSN Johor, and Dama-Dingji Yanwo, whose contributions have been vital in bringing this event to life.

We invite golf enthusiasts and the public to come to Tanjong Puteri Golf Resort and witness the future stars of golf in action. The Majestic Johor Malaysian International Junior Open is not just a showcase of emerging talent but also a celebration of the sportsmanship, dedication, and camaraderie that golf embodies.
